

THE CHILL FACTOR FEATURE

# QHAREVIEW

SEPTEMBER 2009

enables wines, champagnes, beers and beverages, to be stored and served at the correct temperatures.

As market leaders, Vintec wine cabinets are economical, aesthetically pleasing, and have a proven record of quality workmanship with an Australia wide network of selected retailers and service agents. 

## Twinkle, twinkle!

Funky, sleek and very affordable, the tchillbag is a portable ice bucket and the perfect gift for the festive season.

Whether it's for indoors or out, for chilling or serving, or as an original and colorful gift, the light-weight tchillbag is the ideal accessory for a dinner at home, a picnic in the park or a dinner at a BYO. Simply put in your chosen bottle and pad out the tchillbag with fresh water and ice cubes, et voila! You now have a smart ice bucket!

Tchillbag is an Australian owned and operated company. Unlike any similar

product on the market, the tchillbag is recyclable and reusable making it ultra reliable and friendly to the environment. The tchillbag contains a special stiffening agent in its durable PVC that reacts with ice and water to create a solid, watertight bag that won't topple over when filled. The tchillbag is made from special thick treated PVC and is sturdy, durable and phthalate free.

Company logos in up to four colours can be printed onto the tchillbag from as little as 120 pieces corporate gifts, clubs, wineries, hotels and restaurants.
